

Family Living on the Mountain

This 3 bedroom, 2.5 bath home is located in a quiet neighborhood near the mountain. With over 1800 square feet there is room for everyone. Practical floor plan offers separate living and family rooms with vaulted ceilings, central kitchen and master bedroom on the main level. The landscaped yard and patio are ideal for outdoor entertaining. Fantastic location close to the bus route and bike path and only minutes from the Steamboat Ski Area.

Offered at \$759,000

BB/TB: 2.75%
